Multilingual Families

**Multilingual Families:**  
Supporting multilingual families –  
a linguistic treasure for Europe.

- In your home, do you speak a different language to the country you live in?
- Do you know that you can bring up children multilingually?
- Are you an educator with children from immigrant families in your class or school?

IF THE ANSWER TO ANY OF THE ABOVE IS **'YES'**,  
THEN THE MULTILINGUAL FAMILIES **PROJECT IS FOR YOU.**

Multilingual Families is a European Union funded education project that will support and inform immigrant or multilingual parents how and why to raise children multilingually in an informal setting and will produce resources to help you.

For more information see the project website at:
